RULES

- Contestants will use a bat provided by the softball team (various sizes and weights will be available) with a representative from Highlander Softball pitching regulation softballs on a line
- The contest will be comprised of 3 rounds and a "Men's" and "Women's" division
- **Round 1:** Will begin promptly at 3:30. Each turn will be comprised of 10 swings by the contestant. Batters do not have to swing at every pitch and a hit, missed, tipped or foul ball is counted as a swing. After 10 swings, the turn is over and the number of home runs will be recorded for the turn. Contestants have the option of purchasing unlimited extra turns until 7:00. After 7:00, no new entries will be taken. The 5 contestants from each division with the most home runs in a single turn at the end of the round will advance.
- **Round 2:** Will begin at the completion of Round 1 at approximately 7:30. The same rules in regards to swings apply. The 3 contestants from each division with the most home runs in their turn will advance. In the event of a tie, both contestants will advance.
- **Round 3:** Will begin at the completion of Round 2. In this round, contestants will have 6 "outs" to hit as many home runs as possible. An "out" is any ball that is swung at that is not a home run. The contestant with the most home runs at the end of the round is the winner. Ties will be broken in a sudden death format.
